We're all about campervan adventures!

Adelaide to Darwin Campervan Holiday

04 July to 17 July 2011

There's more than a 'rock' to see between Adelaide and Darwin as you'll find out on this 14 day adventure.

Highlights

- Cooper Pedy
- Uluru (Ayres Rock) incl. 15 minute spectacular helicopter ride for a different view
- Kata Tjuta (the Olgas)
- Kings Canyon, Watarrka National Park
- McDonnell Ranges
- Alice Springs, Devils Marbles and Tennant Creek
- Thermal Pools at Mataranka
- Katherine and the Nitmiluk Gorge
- World Heritage listed Kakadu National Park

On Tour

Our aim is to provide you with a great mix of adventure, the outdoors, sightseeing, relaxing and socialising.

During the escorted tours, we'll enjoy a mixture of freedom camping and staying in commercial campgrounds with full facilities. Freedom camps are often in beautiful locations and can provide more flexibility like allowing camp fires which always makes for a memorable evening. While many freedom camps don't have full facilities, you'll have your own toilet/shower on tour for your comfort. By mixing it up with the full facility campgrounds, your adventure will have the best of both worlds!

While on tour, during the day you are free to explore on your own, in small groups or tag along with us. We'll make sure you know how to find the areas and activities that are matched with your interests, and we'll be keeping in contact with UHF radios. Every evening the group will catch up at the night's destination and share tales of the days adventure at 'happy hour' which could be around the campfire, or overlooking a beautiful vista.

What's included?

The price for this tour per person, based on twin share is **AUD \$2997***

Including the following:

- Rental of Hi Top Campervan** for duration of tour with \$0 Excess and unlimited kilometres
- Galli Ensuite - Gallivanting Oz Portable Toilet (Galli Pooper), Shower and Tent Combo, including Galli Pooper Toilet Crystals for daily use

For more information on pricing and the tour, please contact us.

**Please enquire for single occupancy rates for this tour*

***Tour has been priced using the Apollo Hi Top Campervan or the Britz Hi Top Campervan and are subject to availability of vehicles. Enjoy the benefit of \$0 insurance excess for peace of mind. If you prefer a different hi top vehicle or one of the larger motorhomes, this is no problem at all. There may be an additional cost for this, so let us know if you'd like some quotes.*

Have your own van?

If you already have your **own campervan**, but are interested in joining us on an escorted tour, we'd love to have you join us.

Please enquire for pricing and more details.

Tour Overview

After collecting our vehicles and homes for the next two weeks in Adelaide, we head towards **Port Augusta**, enjoying beautiful views en route including **Mt Remarkable National Park**.

It's not long before the lush coast is a distant memory as we make our way to the Red Centre via **Coober Pedy**, well known for opals and underground homes.

While **Uluru (Ayers Rock)** is the hero of the Red Centre, we'll also be discovering many other outstanding geological and cultural wonders of the region. You'll need to make sure you have plenty of space on your camera as you enjoy a **15 minute helicopter ride around Uluru**, which is included as part of your tour.

We're all about campervan adventures!

After exploring Uluru and **Kata Tjuta (the Olgas)** we'll make our way to **Kings Canyon**, in the **Watarrka National Park** where you might like to do the popular **Canyon Rim Walk**. For those not feeling so energetic, there are other options also. Depending on the amount of rain we may also be lucky to see the spectacular wildflowers blooming on our travels.

The **McDonnell Ranges** are up next, just waiting for us to explore their beauty, before we continue our trek north, via **Alice Springs**.

We'll be stopping at the **Devils Marbles** and **Tennant Creek** before sinking into the thermal pools at **Mataranka**. Many a weary traveller has been revitalised at this magic spot, and we'll be no exception, before we continue on our way to **Katherine** and the beautiful **Nitmiluk Gorge**. There are plenty of optional activities here for you to experience the gorges – canoes, boat rides, bush walks, photography and of course swimming.

There's one last National Park to visit before we make our way to Darwin – The famous **Kakadu National Park**. You won't be disappointed as we explore the park, learning about the culture and history, as well as the amazing geological formations and wildlife.

The tour will conclude early afternoon in **Darwin** on Sunday, to allow enough time to return the vehicles, and assist with your onward travel plans.

Following this tour, you may like to join us as we're on the road again heading to Perth, via Broome on our next tour. Enquire to find out about the discounted price for booking this option.

If you need help booking accommodation in Darwin, we'd be happy to assist.

If you are interested in more information or would like to book this tour please contact us.
