- VIP Liability Reduction Cover
- Pre-purchase Gas Bottle

*Hassle Free Check In: The Value Pack provides Apollo guests a Hassle Free and Fast Check In. This service reduces your time at the branch, by simply returning your keys to the counter without any need to go through the check in procedure with an Apollo employee. This service only applies where no vehicle damage has occurred whilst on hire.

The Apollo Value Pack does not include the Broome Surcharge or 4WD Additional Cover.

The maximum amount payable per rental segment for a Value Pack is AU\$2,937.50/AU\$3,250 – i.e. 50 days' rental.

- The minimum amount payable per rental segment for a Value Pack will be based on the minimum rental period applicable for your rental.

Booking Amendments

If you wish to make any changes to your booking (including voluntary downgrade), the booking will be calculated by using either the original flex rate or the flex rate that is valid at the time of the booking change, depending on whichever rate is higher. There are no exceptions to this rule. The following situations are classified as booking alterations:

- Change of date for vehicle pick up or drop off
- Change of location (depot) for vehicle pick up or drop off
- Change of vehicle category
- Name change

If an amendment is made to the rental dates within 14 days of collection, no refund will be made if the length of hire is shortened (that is; the rental will be charged at the number of days originally booked). A relocation fee may apply if the collection or return location is amended within 14 days of vehicle pick up or if notification occurs during the hire.

Please note that amendments may result in the daily rental rate to be recalculated at the rate applicable on the date of the amendment for the entire rental period.

Booking Amendment Fee

The first change only is at no charge. The first change may involve several aspects of the reservation. The second and subsequent changes at AU\$25 per aspect, per change.

Rental Extension

If the guest wishes to extend the rental whilst on hire, they must first obtain authorisation from Apollo Reservations. Rental extensions are subject to fleet availability. The extra cost of an extended rental must be paid by credit card over the telephone or at an Apollo Branch immediately on confirmation of the rental extension. The additional days will be at the Gross Rate available at the time of the extension.

Whilst on hire if you decide to extend your rental duration (changing drop off date) by 2 days the same flex rate is used that applied on the day when you made your original booking. If you extend by 3 days or more, the booking change rule applies as outlined above. Failure to obtain authorisation will result in the renter being charged double the daily gross rental rate.

Other Apollo Rates

Flex Rates are completely separate to any other rate or special you may have. Flex Rates do not replace these other rates or specials; rather Flex Rates offer you another choice. Flex Rates only apply to new bookings. Apollo will not accept cancellations of any other rate scheme that are then re-booked using Flex Rates or vice versa. Flex Rates cannot be combined with any other rate scheme.

Rental Charges

Rentals are charged per calendar day. The day of the pick-up is calculated as the first day of rental and the day of return is calculated as the last day of rental. Vehicles must be returned within branch hours.

Standard Rates - When a rental moves from one rate season into the next, the calculation is based on both rates.

Flex Rates - The flex rate that is available at the time of booking for the first rental day determines the daily rental rate for the entire rental period up to the 7th day. All rental days from the 8th day on are counted as a new booking and the flex rate that applies for the 8th day will be used from then on, the flex rate that applies for the 15th rental day will be used from then, etc.

Flex rates resets after 7 days and are based on supply and demand until a confirmed booking has been made.

Travel Insurance

We strongly recommend that clients ensure they take out the highest level of Travel Insurance.

PROTECTION PACKAGE

Personal Injury

The vehicle has third party insurance cover. It is likely that any other vehicle involved in an accident also has third party insurance cover. Depending on the circumstances of the accident, the renter may be entitled to claim for their personal injury against the third party insurance of the party responsible for the accident. The extent of such third party insurance varies in different States and Territories and Apollo strongly recommends that all passengers take out their own Personal Injury Travel Insurance.

If the renter is responsible for the accident the vehicles' third party insurance should cover the renter for the liability except where the renter has committed a breach of the vehicles third party insurance e.g. drink driving.

Property Damage

The vehicle is insured for damage to it or damage to the property of a third party. However, the renter is responsible up to the amount of the applicable Liability for the cost of such damage to third party property, or to the rented Vehicle. The renter is also responsible for the cost of demurrage for the period the Vehicle is unavailable due to repairs. The liability applies in respect of each claim, not per rental. In addition to the Liability an administration fee of \$75 will be charged per claim.

The liability applicable regardless of who is at fault and must be paid at the time of the accident is reported to Apollo, not at the completion of the rental period. Apollo reserves the right to charge the renter for any vehicle damage including Third Party property damage not reported on return of the vehicle.
