Rental Charges

Rentals are charged per calendar day. The day of the pick up is calculated as the first day of rental and the day of return is calculated as the last day of rental. Vehicles must be returned within branch hours.

Standard Rates - When a rental moves from one rate season into the next, the calculation is based on both rates.

Flex Rates - The flex rate that is available at the time of booking for the first rental day determines the daily rental rate for the entire rental period up to the 28th day. All rental days from the 29th day on are counted as a new booking and the flex rate that applies for the 29th day will be used from then on, the flex rate that applies for the 57th rental day will be used from then, etc.

Flex Rates can change on a weekly basis, based on supply and demand until a confirmed booking has been made.

Other Hippie Rates

Flex Rates are completely separate to any other rate or special you may have. Flex Rates do not replace these other rates or specials; rather Flex Rates offer you another choice. Flex Rates only apply to new bookings. Hippie Camper will not accept cancellations of any other rate scheme that are then re-booked using Flex Rates or vice versa. Flex Rates cannot be combined with any other rate scheme.

Booking Amendments

If you wish to make any changes to your booking (including a voluntary downgrade) the booking will be calculated by using either the original flex rate or the flex rate that is valid at the time of the booking change, depending on whichever rate is higher. There are no exceptions to this rule. The following situations are classified as booking alterations:

- Change of date for vehicle pick-up or drop-off
- Change of location (depot) for vehicle pick-up or drop-off
- Change of vehicle category
- Name change

If an amendment is made to the rental dates within 14 days of collection, no refund will be made if the length of hire is shortened (that is; the rental will be charged at the number of days originally booked). A relocation fee may apply if the collection or return location is amended within 14 days of vehicle pick up or if notification occurs during the hire.

Booking Amendment Fee

The first change is at no cost. The first change may involve several aspects of the reservation. The second and subsequent changes are at AU\$25 per aspect, per change.

Rental Extension

If the guest wishes to extend the rental whilst on hire, they must first obtain authorisation from Reservations. This is subject to availability. The extra cost of an extended rental must be paid by credit card over the telephone or at a Hippy Camper Branch immediately on confirmation of the rental extension.

Whilst on hire if you decide to extend your rental duration (changing the drop off date) by 2 days the same flex rate is used that applied on the day when you made your original booking. If you extend by 3 days or more, the booking change rule applies as outlined above.

Failure to obtain authorisation will result in the renter being charged double the daily applicable rental rate.

Consecutive Hippie Campervan rentals can be combined to qualify for a long-term discount rate. If drop off of a vehicle and pick up of a new vehicle occurs on the same day then a day each will be charged per respective vehicle. Multiple rentals are treated as separate rentals under the one way fee and minimum rental period conditions. This discount does not apply to completed bookings.

Travel Restrictions

The hippie Camper can only be driven on sealed/bitumen roads or well maintained access roads less than 12 kilometres long to recognised campgrounds. The Hippie Camper is allowed to travel north of the Daintree River as long as permission is obtained from Hippie Camper prior to travel.

Repairs up to \$100 may be affected without authorisation and will be reimbursed unless the damage is caused by the renter. For amounts over \$100, Hippie Camper will need to be informed in advance. All vehicles are enrolled in the Australian Automobile Association and 24hr emergency roadside assistance is available.

Infringements and Administration Fees

We reserve the right to charge the renter for any speeding, toll way, parking fines or traffic infringements not reported on return of the vehicle. Hippie Camper reserves the right to

charge for associated administration costs for processing the fines (irrespective of excess). An additional administration fee of \$75 per fine will be applicable.

Change Of Vehicle

Should the vehicle booked be unavailable through unforeseen circumstances, we reserve the right to substitute an alternative vehicle without prior notification and at no extra cost. This shall not constitute a breach of contract and does not entitle the renter to a refund.

Vehicle Category

Vehicles cannot be requested by make or model, only by vehicle category.

Voluntary Downgrade

Should the renter decide to take a lesser vehicle than booked within 14 days of pick up or during the rental then they will not be entitled to any refund.

Travel Insurance

We strongly recommend that clients ensure they take out the highest level of Travel Insurance.

PROTECTION PACKAGE

Personal Injury

The vehicle has third party insurance cover. It is likely that any other vehicle involved in an accident also has third party insurance cover. Depending on the circumstances of the accident, the renter may be entitled to claim for their personal injury against the third party insurance of the party responsible for the accident. The extent of such third party insurance varies in different States and Territories and Hippie Camper strongly recommends that all passengers take out their own Personal Injury Travel Insurance.

If the renter is responsible for the accident the Vehicles third party insurance should cover the renter for the liability except where the renter has committed a breach of the Vehicles third party insurance, e.g. drink driving.

Property Damage

The Vehicle is insured for damage to it or damage to the property of a third party. However the renter is responsible up to the amount of the applicable Liability for the cost of such damage to third party property, or to the rented Vehicle. The renter is also responsible for the cost of demurrage for the period the Vehicle is unavailable due to repairs. The Liability applies in respect of each claim, not per rental. In addition to the Liability an administration fee of \$75 will be charged per claim.

The Liability is applicable regardless of who is at fault and must be paid at the time the accident is reported to Hippie Camper, not at the completion of the rental Period. Hippie Camper reserves the right to charge the renter for any vehicle damage including Third Party property damage not reported on return of the vehicle.

The below Reduction Options **do not include windscreen and tyre damage** (renter is responsible for windscreen and tyre damage at all times).

	Cost per day	Bond	Liability
Standard Liability	Included	AU\$3,000	AU\$23,000
Liability Reduction Option (included in the value pack)	\$22** (max \$1,100, ie 50 days rental)	\$100	\$0

**The minimum amount payable for each reduction option per rental segment will be based on the minimum rental period applicable for your rental

Bond

For security purposes, only a credit card can be used to provide a Bond. With the Standard Liability the bond will be debited to the credit card account immediately. When the bond is debited a non-refundable credit card administration fee will apply of 4.5% for American Express and Diners Club and 2% for Visa, MasterCard, Visa Debit and MasterCard Debit. An administration fee equal to the merchant surcharge applies. With Liability Reduction Option the Bond is payable to Hippie Camper by an open signed credit card imprint with an authorisation obtained (sufficient funds must be available) for \$100. The credit card holder must be present and able to sign for the Bond upon vehicle collection. The credit card holder is jointly and severally liable for any damage to the rental vehicle.

The Bond is fully refundable when the vehicle is returned to the correct location on time, is full of fuel and all other terms of the Rental Contract have been complied with. If there is damage to the vehicle on its return, the Bond will be used to cover the cost of such damage up to the amount of the relevant Liability. However, if the terms of the Rental Contract are breached and the Bond is insufficient to cover the damage then any extra costs will be charged. Refunds by credit card including bond refunds can take up to 21 working days depending on the renter's Financial Institution.

Bond Roll Overs are permitted for multi hires only within the same brand and same country when the bond is banked.

Full Responsibility

At all times the renter is responsible for:

- Damage caused where the terms of Rental Contract have been breached.
- Damage caused by negligence.
- Damage caused to the Vehicle in any way by part or total water submersion or salt water.
- Damage caused to the Vehicle due to Single Vehicle roll over.
- Damage caused to tyres and windscreen.

- Damage caused to the Vehicle by the renter's wilful conduct.
- Damage caused to the Vehicle when using the Vehicle in contravention of any legislation or regulation controlling vehicular traffic.
- Damage or loss caused to any personal belongings.
