# BRISBANE Highlights

## Brisbane, which is the capital of Queensland, is a big, modern city set on the Brisbane River.

It doesn't matter how much or how little time you have in Brisbane, as we have compiled a list of the best things to see and do with your time here.

### 1. Southbank

Southbank and its Parklands are an intrinsic part of Brisbane – it displays a premier lifestyle and is a cultural destination. With its 17 hectares of lush parkland, it is located on the southern banks of the Brisbane River and is home to stunning river views, world class eateries and is a hive of activity all year round.

This makes for a great day out whether you have only a couple of hours or a whole day, this provides the perfect setting for a place to relax and unwind, soak up the sights, sit back and people watch. The Wheel of Brisbane at 60m tall is located here too and provides great views of the city.

When you get there, you'll be amazed by the beautiful inner city beach, riverside cycling and copious amounts of lush gardens and walking paths.

Getting to and around South Bank is easy with numerous parking, public and active transport options available. If you have transport you can park in the undercover car park; use on-street metered parking; catch a train, bus,

CityCat or ferry; or take advantage of the precinct's CityCycle stations.

### 2. River Cruises

You can't leave the city not having viewed the sights of Brisbane from the river. It is undoubtedly one of the best ways to see the best of Brisbane without having to pound the streets.

There are many river cruise operators in Brisbane:

- **CityCat & Ferry Services** - hop on and hop off at any of the stops and is a fun fast and inexpensive way of getting about the city.
