This is costly and not for everyone and will need to be pre-booked. There are also a large range of other flights, fishing trips, 4WD trips and the Pearl Farm tour. We'll provide separate details on the Broome attractions and would highly recommend pre-booking to avoid disappointment. We feel this gives you the greatest flexibility and value for money - we do include one of the must-do's in Broome, which is **sundowners at Cable Beach**.
- Learn more about **WWII history** and experience the vibrant multicultural city of Darwin (we suggest adding on an extra couple of days at the start of your holiday to see more of Darwin City from a city hotel or getting your camper early; subject to availability)

Our tag along tours provide you with the ultimate in flexibility. If you already own your own motorhome or caravan in Australia, you're welcome to use this. If you don't, then you can hire through us. We have a range of options to suit your needs and budget, plus you can choose your preferred insurance option - we would highly recommend taking the highest cover for peace of mind. Let us know if you'd like to see some costing. Most clients find that after they've learnt the tips of motorhome travel in this area from our tour leaders, they are comfortable to continue on from Broome to Perth on their own. We can provide you with quotes on hiring a motorhome which can be returned to Perth, back to Darwin or Broome (AU\$750 surcharge applies if returning to Broome).
