We're all about campervan adventures!

Travel Highlights

Darwin to Perth via the Kimberley Region

Distance

4,500 km

Best Time to Travel

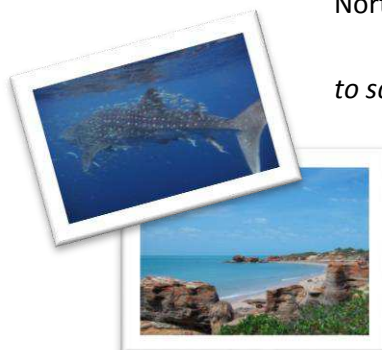

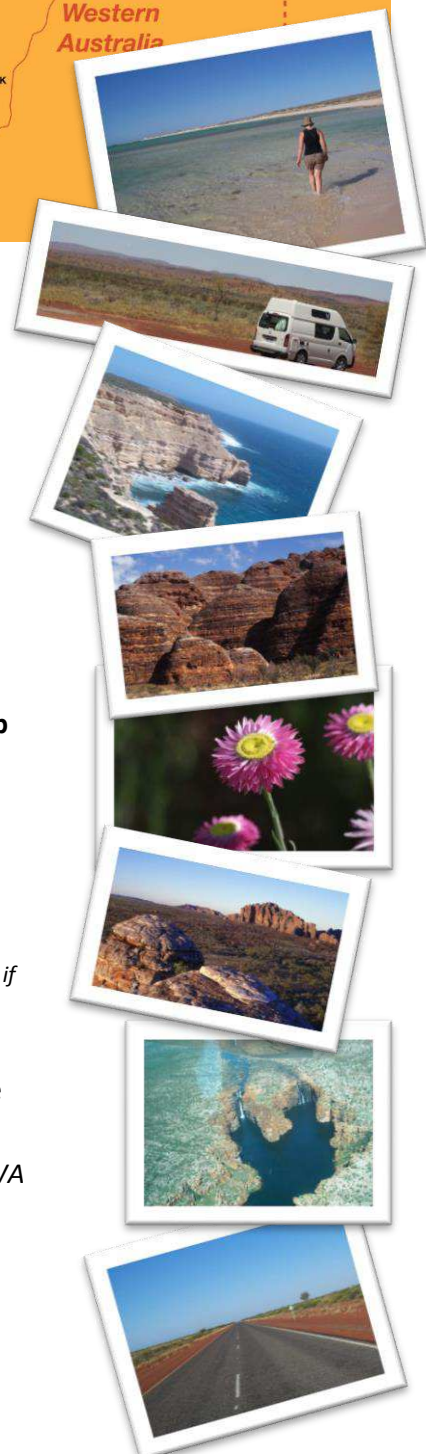

May to September

Suggest Time Frame for Travel

25 days minimum (longer is better;
 retired clients tend to travel 40 – 45 days)

Highlights

- Popular route for those looking to experience the **Kimberley Region** and drive the **spectacular coastline** of Western Australia with crystal clear waters. You'll love the constantly changing scenery as you drive the sealed road – **gorges, beaches, canyons** and **outback scenery** to name a few
- Add a couple of **day tours**, right into the heart of the Kimberley's so you can enjoy the comforts of travelling in a **2WD camper**
 - **Scenic flight** and land at the amazing **Horizontal Waterfall**, and/or explore the **Bungle Bungles** with the amazing **beehive formations**
- If you're more adventurous, hire a **4WD camper** to explore the seasonal **Gibb River Road**
- Plenty of opportunity to see **wildlife** like **Kangaroos, camels, brumbies, crocodiles, bird and marine wildlife**
 - Visit the fringing coral reef at **Ningaloo Marine Park**(Exmouth and Coral Bay) to see **whale sharks, humpback whales, manta rays, dolphins** amongst other marine wildlife (check with us for best time to visit if this is of interest)
- Western Australia is world renowned for having one of the most spectacular displays of **wildflowers** in the world. Time your visit from around June in the North –Nov in the South to see the brilliant blaze of colour
 - There are a number of National Parks (obtain a pass for WA to save on entry fees) and walking trails, along with plenty of **freedom camping** (free or low cost camping) and **commercial camps**
