Bond

If the customer chooses the Risk Taker option, we pre-authorise the bond amount based on the chosen vehicle type. Bond is held as an authorisation on the valid VISA/MASTERCARD credit/debit card with the customer's name on it at the pick-up. The bond will be released at the end of the hire by JUCY/ Star (subject to no damage or claims) and may take 5 to 30 working days to reflect on their credit/debit card.

The Star RV Awning is subject to a AU\$1,750 Damage Excess if only the awning is damaged. Standard claims policy applies. If the vehicle is written-off, the excess of AU\$7,500 still applies. There is no bond on the awning excess.

If there is damage to the campervan on its return or any other terms of the rental contract have not been met, the bond will be used to cover the cost up to the relevant liability. Any extra costs will be charged if the rental contract terms are breached, and the bond is insufficient to cover the damage.
